

# Airside Operational Notice

## Airside Operational Notice AON 024 10/18

In line with enhanced Security requirement at Hawarden Airport we now have some additional Security prerequisites that all users must meet when applying for an Airside pass.

This instruction is effective immediately (**15/10/2018**) for users who are renewing airside passes and will be applicable and enforced by January 2019 for all other airside users/operators.

To hold a full airport pass you will require;

- 5 year background check/criminal record check (Basic Disclosure or higher vetting)  
*Original certificate will need to be provided to the Badge Office*
- 5 year pre-employment checks (Airbus Baseline Clearance or similar agreed company vetting)
- GSAT - General Security Awareness Training completion and certificate.  
*Original certificate will need to be provided to the Badge Office*

You may also be subject to additional Security checks at random when working airside and when working in certain areas, full airport screening and search will apply.

Please ensure you fully understand and comply with the enhanced Security requirements now to avoid airfield access being revoked.
